

Explore Charlottesville

# Neighborhood Walks

June 14th, 2026

## Locust Grove

**What:** Every 2nd Sunday of the month we will lead a walk through a different neighborhood in Charlottesville. This month we are going to meet at the **Rivanna River Company** and explore the Locust Grove Neighborhood. We will check out some areas that need better pedestrian improvements; including sidewalks and crosswalks but this is an opportunity for all of us to get to know our city better, learn from our neighbors and see where there are places to build a better, more connected community.

**When:** Sunday, June 14th at 10 AM

**Where:** Rivanna River Company (meet at the bike rack ) - 1520 E High St

*This is an opportunity for all of us to get to know our city better, learn from our neighbors and see where there are places to build a better, more connected community. Registration is not required and everyone is welcome!*
